

**Fulbright Week  
at Ohio State  
2024**

## Fulbright Türkiye Information Session

Learn about opportunities for U.S. citizens to teach, study and research in one of the world's most dynamic countries directly from the Türkiye Fulbright Commission. Türkiye, a transcontinental country with a rich historical and cultural heritage, is a geopolitically significant regional power and among the 20 largest economies in the world. The country offers quality higher education and research opportunities on modern campuses. With more than 200 universities throughout the country, Türkiye features a large diversity of programs.

İrem Arıcan Yiğit from the Türkiye Fulbright Commission will provide an overview of programs. Ohio State alumna and Fulbright ETA currently in Türkiye, Byann Rasul will share her experiences. Information about resources and support available to Ohio State faculty and student applicants will also be provided.

### Presenters:

- İrem Arıcan Yiğit, Acting Advising Coordinator, Türkiye Fulbright Commission
- Byann Rasul, BS '23, Teaching and Learning, The Ohio State University (2023-2024 Fulbright ETA in Türkiye)
- Joanna Kukielka-Blaser, Director, Fulbright Scholar and Fulbright-Hays Programs, Office of International Affairs (Fulbright to Germany)
